## Chairman's Desk

"In the Name of Allah, the Most Gracious, the Most Merciful.

"Whoever treads a path in search of knowledge, Allah will make easy for him the path to Paradise." (Sahih Muslim)

It is with great pride and a profound sense of responsibility that I welcome you to AL-HILAL SCHOOL. In an era of rapid change and complex challenges, our children need an anchor for their souls and a compass for their lives. Our educational philosophy is built upon the timeless principle of integrating Deen with Duniya — faith with worldly knowledge.

We strive to nurture a generation of confident Muslims who are not only excelling in sciences, arts, and technology but are also deeply grounded in the Quran and the Sunnah. We aim for them to be morally upright, intellectually vibrant, and prepared to be positive contributors to both their community and the wider world.

At AL-HILAL SCHOOL, we are committed to providing an environment where your child's academic success walks hand-in-hand with their spiritual growth. We invite you to join us in this noble mission of raising the future leaders of the Ummah.

Managing Director  
Al-Hilal School, Ranebennur

*Dear Brothers and Sisters, I greet you all with the Islamic Greeting*

*Assalamu Alaikum Wa Rahmatullahi Wa Barakatuh,  
In the name of Allah, the most Beneficent and the most Merciful.*

*Al-Hamdulillah, All praise be to Allah Subhan-wa Taala who chose me to be a part of this institution. We believe in preparing our students for this competitive world and also to keep them attached with deen and In Shaa Allah guide them to reach the ultimate goal of muslim umma.*

It is with immense gratitude to Allah ﷺ and a heart filled with hope that I welcome you to Al-Hilal School—a place where education is not merely about academic excellence, but about building character, strengthening faith, and nurturing responsible global citizens.

When we began this journey in 2012, we carried a simple yet profound vision: to create an environment where students could thrive in both Dunya and Akhirah. Today, by the grace of Allah, that vision has blossomed into a vibrant reality. Our consistent 100% SSLC results, state rankings, and successful Hifz program are not just achievements—they are manifestations of sincere intentions, relentless effort, and divine blessings.

At Al-Hilal, we believe that true education shapes the mind, soul, and behavior. Through our integrated curriculum, digital innovation, and value-based mentoring, we strive to raise a generation that is not only knowledgeable but also compassionate, disciplined, and deeply connected to its Islamic identity.

I invite you to join us in this beautiful journey of learning and growth. Together, let us empower our children to become beacons of light—leaders who will serve humanity, uphold justice, and walk firmly in the path of the Salaf-us-Saaliheen.

**With sincere prayers,**

## Who We Are

Alhamdulillah! By the grace of Allah Subhana-Wa-Ta'ala, Al-Hilal English Medium School began its noble journey in 2012-13 with a clear vision: to provide value-based education that bridges global standards with Islamic principles. What started humbly with preschool and primary classes and nearly 200 students has now flourished into an institution of over 400 students and more than 40 dedicated staff members, Alhamdulillah.

For over a decade, Al-Hilal has consistently achieved 100% results in the Karnataka State Board Examinations, year after year. But our success stretches far beyond academics. Through our unique dual curriculum—combining English Academia (KSEEB) with QAIS (Quranic, Arabic, and Islamic Studies)—we nurture students who are not only knowledgeable but also spiritually grounded. They learn Quran Nazira, Tajweed, Hifz, Arabic language, Islamic etiquette, and the essence of supplication, Salah, and Seerah, embodying faith in their daily lives.

At Al-Hilal, education is holistic. We focus on skill development, creativity, confidence, and empathy—encouraging students to explore beyond textbooks and face challenges with courage. With congregational prayers, an Islamic environment, and modern teaching methods, we aim to raise future ambassadors of Islam: individuals who are educated, articulate, and conscious of Allah in all they do.

Al-Hilal is more than a school—it's a mission to nurture confident, virtuous, and independent individuals, ready to succeed in this world and attain success in the Hereafter.

# VISION

A whole new generation of young and dynamic revolutionaries who shall follow the footsteps of our pious predecessors (Salafussaliheen) in character and deeds, in words and action, to bring about a big change in the lives of humankind, bringing peace and harmony to the world and who shall teach the world to respect human right and set in order the decaying moral values and fight corruption. A humble and a small beginning with a purview to provide education for both the world - here and hereafter.

# ISSI N

To please Allah Subhānahu wa Ta'ālā and seek His blessings by striving sincerely within the means He has provided us, dedicating every effort — big or small — to His path. We seek Allah's guidance in imparting knowledge that benefits humanity in this world and prepares them for the Hereafter, consciously avoiding useless or harmful learning.

We strive to: Cultivate Islamic values as a way of life by fostering a nurturing Islamic environment within the school. Deliver excellent academic education that equips students for success in both worlds — Dunya and Akhirah. Instill discipline, responsibility, and integrity in every child, empowering them to face life's challenges with faith and courage. Nurture hearts and minds that worship Allah alone, remaining steadfast in His remembrance through all circumstances.

## Why We Follow These Values

At Al-Hilal, our values are not just words — they are the essence of our mission. We follow these Core Values to ensure that every student is nurtured as a whole: intellectually sharp, spiritually grounded, and morally strong. These principles guide us in creating an environment where students don't just succeed in exams — they succeed in life. By facilitating young minds, raising standards, and embracing consistency, we prepare students to face the future with courage and clarity. By helping them practice Islam and taking ownership of their growth, we aim to raise a generation that remembers its purpose: to serve Allah and humanity with excellence and empathy.

### • *Facilitating Young Minds, Making Them Future Ready*

We empower students with the skills, knowledge, and mindset to navigate an evolving world with confidence and purpose.

### • *Helping Students Practice Islam*

We guide students to embody Islamic values in their daily lives, nurturing their faith as the foundation of their character and actions.

### • *Raising the Bar*

We set high expectations in academics, behavior, and personal growth, inspiring students to strive for excellence in all they do.

### • *Owning Your Students' Outcomes*

As educators, we take responsibility for the holistic development of every child — academically, spiritually, and emotionally.

### • *Remember: All Good Things Begin with "Being Consistent"*

We believe consistency is the key to lasting success, building discipline and Barakah (blessings) in every endeavor.
